

## Extended Health Care Coverage Enhancements

Effective February 1, 2012

---

The Co-operators is pleased to introduce the following changes to your Extended Health Care coverage effective February 1, 2012.

1. Paramedical Practitioners
  - Coverage for psychologists has been expanded to include services provided by **social workers**, to an annual maximum combined with psychologists.
  - Coverage for **audiologists** has been added.
2. Therapeutic equipment
  - Coverage for **insulin infusion pumps** and related supplies has been added.
  - The standard **therapeutic equipment co-insurance** amount of 50% has been increased to match the "All other EHC co-insurance amount" selected for your plan.
3. Coverage for **prosthetic socks** (to a maximum of 5 pair per year) has been added to the Prosthetic Coverage.
4. Coverage for **eyeglasses or contacts that do not require a prescription following eye surgery** is included under the Vision Care benefit.
5. The **Extended Health Care annual maximum** has been removed.
6. Medical Equipment Benefit
  - Coverage for **compression/graduated medical hose** (to a maximum of 2 pair per year) has been added.
  - Coverage for **burn garments** has been added.
  - Coverage for **food supplements** required for tube feeding has been added.

If you have any questions about the enhancements, please call The Co-operators Group Client Service Centre at 1-800-667-8164.
