

# Manage your claims on the go with the Benefits Now<sup>®</sup> app

Forget about scanning receipts and attaching paperwork. With the Benefits Now<sup>®</sup> app for iPhone and Android<sup>™</sup>, you can manage your claims on the go. Simply snap a photo of your receipts and upload it along with your claim.

## Spend more time doing what matters most

Freedom and convenience are only the beginning of the Benefits Now<sup>®</sup> app experience. It is user-friendly, fast and secure. Open the app and easily navigate through your policy information, personal profile, coverage summary and benefit maximums.

You can track your pending and processed claims, view your drug card and manage your list of registered providers. The app makes it simple to control your settings, contact the Client Service Centre and access more information through the *Ask a Question* feature.

## Need help?

Visit [cooperators.ca](http://cooperators.ca) or call 1-800-667-8164 and have your group and certificate numbers on hand. A client service representative can set up your Benefits Now<sup>®</sup> access during the call.
